Sir:

Applicants herewith submit a Supplemental Information Disclosure Statement for the above identified application.

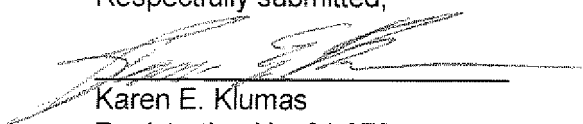

Information and documents related to the above-identified application are submitted herewith. The information and documents are intended for the Examiner's consideration and for citation with the instant case. This submission does not constitute either a representation that a thorough search has been made or an admission that the information and documents cited herein are properly citable against the above-identified application. Comments accompanying the documents, if any comments are included, are believed to constitute a concise explanation of the relevance of the documents. A copy of each Notice of Opposition (and in the case of Henkel's non-English submission, an English translation thereof) are attached. The non-US citations referenced in each Notice of Opposition are also attached, along with Unilever's response to the Notices of Opposition.

No additional fee is required since this information is filed prior to the first Office Action on the merits (37 CFR 1.97(b)(3)).
